Program Year

- Begins July 1 of the year and ends June 30 of the following year

Total Enrolled

- Number of students enrolled during program year regardless of the provider's actual school year schedule.

Total Program Exiters

- Number of students that, during the last <u>4 rolling quarters</u>:
  - Completed the program
  - Dropped the program
  - Transferred to a different program
- NOTE: These are not necessarily the same people in the Enrolled field.

For PY 2021, this would be anyone who exited from 4/1/21 – 3/31/22.

Total Completers

- Number of students that, during the last <u>4 rolling quarters</u> completed the program. (a subset of the Exiters)
- Note: These are not the same people as in the Enrolled field.

For PY 2021, this would be anyone who completed from 4/1/21 – 3/31/22.

Credentials

- The number of students who exited <u>between 1/1/ and 12/31 of the previous year</u> who attained an allowable post-secondary credential.

Total 2nd Quarter Exiters

.

- Number of exiters <u>who completed</u> from <u>prior PY- (7/1 of 2 years ago through 6/30 last year)</u>

Employed 2nd quarter

- Number of exiters in the <u>previous PY</u> (for PY 2021 this would be 7/1/20 – 6/30/21), who were employed 2 quarters after they completed the program
  - Note- Exit in this case does not mean exited WIOA, just exited the program.

Median 2nd Quarter Earnings-

- Median earnings of WIOA clients in unsubsidized employment during the 2nd quarter after they exited the program

Average 2nd Quarter Earnings

- same as above but average instead of median

Total 4th Quarter Exiters

Number of exiters <u>who completed</u> from <u>PY 2 years ago- (7/1 of 3 years ago through 6/30 2 years ago)</u>

Employed 4th Quarter

- Number of exiters <u>who completed</u> from <u>2 PYs ago PY- (7/1 of 3 years ago through 6/30 2 years ago</u>) who were employed during the 4th quarter after they exited the program.

Average 4th Quarter Earnings

- Average earnings of WIOA clients in unsubsidized employment during the 4th quarter after they exited the program

Private Providers

- At least 50% of exiters must complete the program (completers/exiters)

- At least 50% of completers must be employed in the 2nd Quarter after exiting the program or after the first State exam results are available, if applicable (Employed 2nd Quarter/Completers)

- Aggregate Performance – All Students is entered by the providers- both Public and Private.
