Four Year Strong Workforce Plan Update

Strong Workforce Program Improvement Survey

In accordance with [Ed Code section 88826](#), the Chancellor's Office has created a survey for you to share recommendations for Strong Workforce Program (SWP) program improvement.

The purpose of [this survey](#) is for Chancellor's Office to gather feedback and recommendations from Regional Consortia about implementation of SWP over the past 4 years. Answers may be used to help guide policy and craft supports, and data from this survey may be included in the annual SWP Legislative Report. This form should take approximately 10-15 minutes to complete.

Please work within your regions to submit survey responses no later **than Friday, December 8, 2023**. I will need to time to review, synthesize and vet the responses provided in order to complete the FY 22-23 SWP legislative report which is due by January 1, 2024.

Proposed Spring Career Events

- Regional Career Fair for target industry sectors
- Family engagement events

Program Recommendations

Community Colleges in California need to submit for program recommendation for revised certificate programs. This is required by Title 5 of the California Code of Regulations (CCR), which governs curriculum and instruction in the California Community Colleges system.

- The specific regulations that apply to revised certificate programs are CCR §§ 55131-55134. These regulations require colleges to submit a program proposal that includes the following information:
- A description of the program's goals and objectives
- A list of the program's courses and their prerequisites
- A description of the program's faculty and facilities
- A plan for evaluating the program's effectiveness
- <https://www.cccco.edu/-/media/CCCCO-Website/docs/curriculum/program-course-approval-handbook-8th-edition.pdf>

Happy Thanksgiving
