

South Central Coast Regional Consortium

December 2023 Meeting

Happy Holidays!

Dual Enrollment – Community of Practice

- First meeting will be held in January.

The background is a blurred image of a financial chart or report. It features a line graph with several peaks and valleys. A white, hand-drawn brushstroke shape is centered over the chart, serving as a container for the text. In the background, some numbers are visible, such as '2.5' on the left and '2.47' on the right. A pen is also visible in the upper right corner, appearing to be writing on the chart.

Employer Engagement Reporting

Next report due January 10th.

LAEP Presentation

- Information and advocacy update.

Architectural blueprints are shown on the left side of the slide, featuring various technical drawings, dimensions, and labels. The blueprints are partially unrolled, revealing detailed plans with numerous numerical measurements and geometric shapes. The right side of the slide is a solid black background with white text.

Regional SWP Plan 2024-28

- Draft mostly complete.
- Thank you to all who contributed.

Vision 2030: Success with Equity a Dual Enrollment Convening

*This regional convening for the South Central Coast is hosted by, and embedded in, the Get Focused Stay Focused Conference. **Both days of the conference are free for college and high school faculty and staff in the South Central Coast Region** thanks to the support of the SCC Regional Consortium and GFSP.*

Dr. Sonya Christian
Chancellor
California Community Colleges

"Our Time is Now"

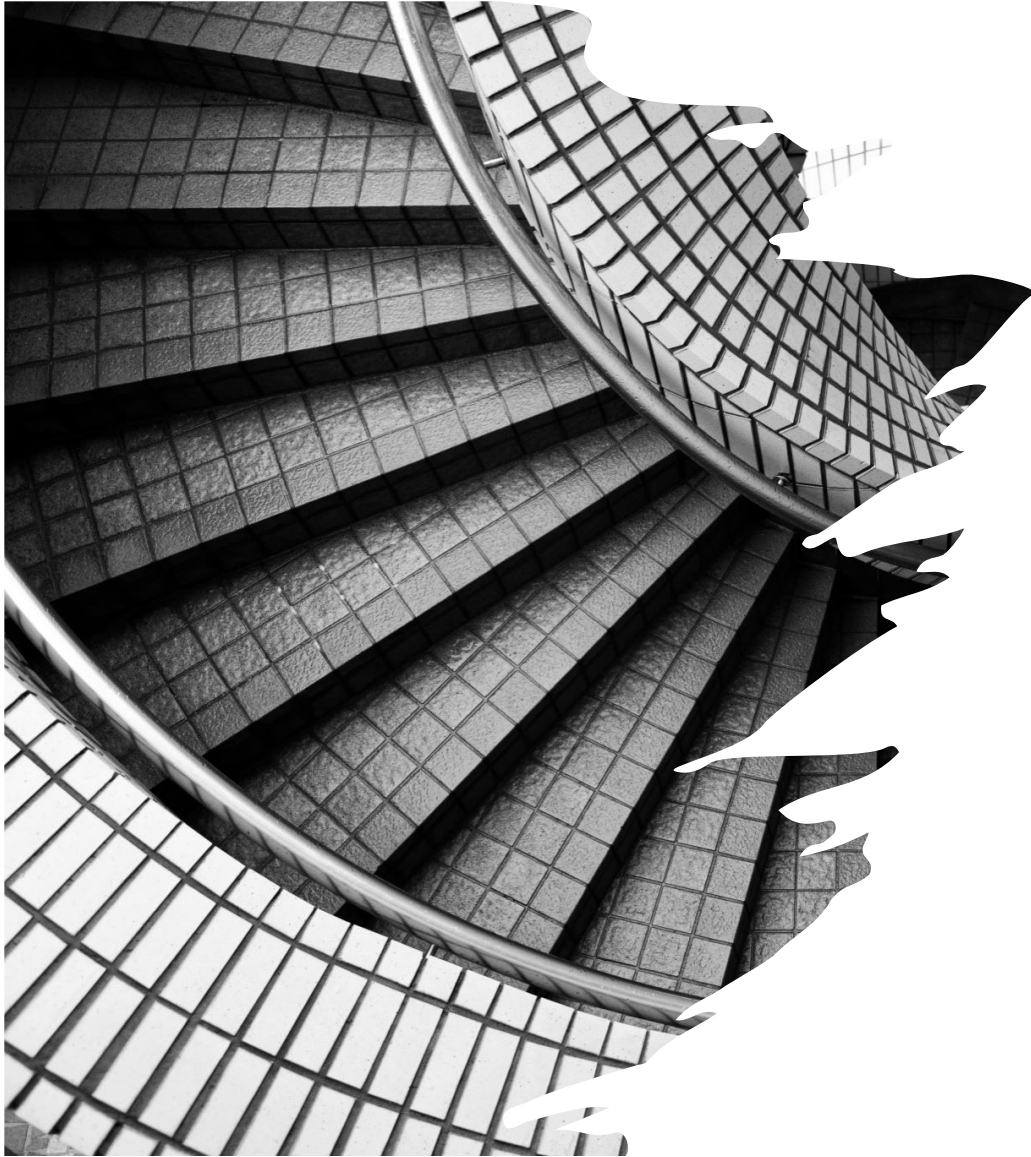

Dr. Erika Endrijonas
Superintendent / President
Santa Barbara City College

Vision Aligned Reporting Regional Convening

- Save the Date
- **February 21, 2024 at the Hilton Garden Inn, Goleta**
- The Vision-Aligned Reporting regional convenings will provide attendees with training and information on the Chancellor's Office's new comprehensive reporting tool and process. These events are also designed to (1) bring college implementation leads and campus program staff together to begin discussing how best to organize their work for the greatest impact on their campuses and (2) allow program staff the opportunity to meet with their regional counterparts to discuss program-specific strategies for collecting reliable data. Each college may send a team of ten people.
- More to come.

Center of Excellence - Transition

- Working with the CCCCCO on a transition plan.
