

South Central Coast Regional Meeting

November 2024

Regional Funding Supporting Student Throughput

K12 SWP

Supports career exploration & CTE Pathways (Clarify the Path)

CC SWP

Supports students matriculating to post secondary (Entering the Path and Staying on the Path)

CCCCO EWD

Supports student employment outcomes (Completion)

Regional Guided Pathways Framework

A. Regional Leadership and Workforce Priorities: Cultivate and develop regional leadership, communication, and support structures that improve outcomes for students, employers, and communities.

B. Build and Clarify the Path: Design well-articulated career education pathways that increase the likelihood of students achieving economic prosperity.

C. Enter the Path: Ensure potential students know career education pathways through early career exploration, communication, and outreach.

D. Stay on the Path and Ensure Learning: Promote student career development to high school and college students, counselors, parents, and the community.

E. Employment Preparation and Transition to Work: Provide diverse opportunities that prepare students for a seamless transition into careers or career advancement.

Upcoming meetings

Career Connect Update

Promising Practices Toolkit

K-14 Career Education

Counselor Conference

Why?

Benefits:

- **Increase awareness of Community Colleges and Career Education programs**
- **Networking opportunity**
- **Share best practices and resources**
- **Support for K-14 counselors**

Impacts

Counselors are critical allies!

You can help shape and support their role

Counselor support leads to:

- increased awareness and understanding of career education programs
- increased enrollment and completion of career education programs

Perkins 101

For community college Deans
and CTE Administrators

Perkins 101

Participants will learn the basics, explore resources, and dive into managing Perkins. Promising practices, tools, and guides will be shared. Get grounded in the basics and collaborate on common challenges. All experience levels are welcome (online). [Registration required.](#)

Tuesday, December 3rd, 9:00-11:00 A.M.

Happy Holidays!

No December meeting.
