Policy Summit & AB 323

The annual CCCAOE [Policy Summit](#) will be March 4 & 5, 2025, at the Sheraton Grand Sacramento Hotel and the Capitol. One of the new bills we are following is AB 323 (Fong). The bill tells the state CC Chancellor's Office to revise Strong Workforce language to allow direct support for students, employers, or both, for paid work-based learning, such as internships. Other bills of interest to career education are also in the works. The Policy Summit provides information on pending legislation and arranges opportunities to meet with legislators and staff.

Registration is open. See me for information. mhoffman@vcccd.edu

Spring CCCAOE Conference
