

February 2025

South Central Coast Regional Consortium

February CTE Month

CELEBRATE TODAY,
OWN TOMORROW!

Nursing Demonstration Project

Nursing Infrastructure Program

- Focusing on Career Ladders for Incumbent Workers and Increasing Access to the Nursing Professions for Individuals from Underserved Communities.
 - College of the Canyons has been selected to participate in the spring cohort of this program joining Cuesta College and Ventura College selected in the fall 2024 cohort.

Changes to Program Recommendation Process

COE DIRECTOR – JACOB
POORE WILL ELABORATE

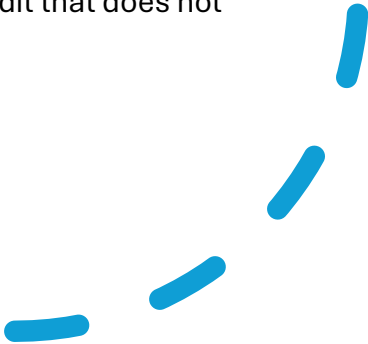

WORKING ON EFFORTS TO
STREAMLINE THE PROCESS

CREATE TRANSPARENCY

A large orange shape on the left side of the slide, consisting of a rectangle with a quarter-circle cutout on its right side.

Demonstration Projects

- All colleges in the region are part of the Chancellor's Office **Credit for Prior Learning Demonstration Project**
 - Equitably increase social & economic mobility of veteran and working adults by bringing college to communities and careers to colleges.
 - Collaborate with local industry sectors to facilitate awarding credit for industry recognized credentials.
 - Expand CPL opportunities for adult learners by building nationwide faculty recommended articulations.
 - Establish additional completion pathways for veterans and working adults by enabling colleges to fully integrate Credit-for-Prior Learning into existing awarding processes.
 - Incorporate technology that automatically awards credit that does not require students to initiate the process.
- 
- Four short, curved blue lines arranged in a diagonal pattern in the bottom right corner of the slide.

Benefit to students

Students who are awarded CPL are 17 percent more likely to complete a degree in contrast to their non-CPL counterparts.

- Students who are awarded CPL save 9-14 months earning a degree, on average, compared to their non-CPL counterparts.

- Students who are awarded CPL save between \$1,500 and \$10,200, depending on career sector, on tuition and other related expenses.

Upcoming Events

PATHWAYS TO SUCCESS

*A Collaborative Evening for Early College
and Employer Engagement*

Allan Hancock College invites industry professionals, CTE Advisory Committee members, high school educators, and community partners to a special event focused on enhancing career pathways for students and the local workforce.

Tuesday, March 4, 2025 | 4–8 p.m.

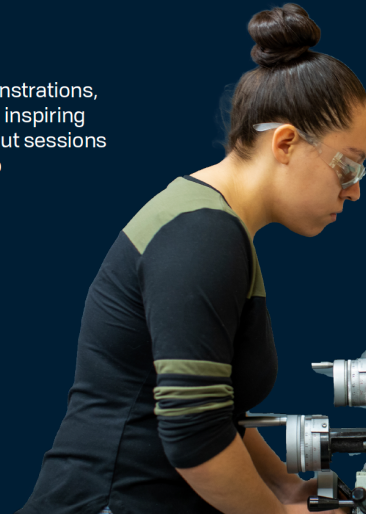

**Fine Arts Complex
800 S. College Dr.
Santa Maria, CA 93454**

The evening will feature exciting CTE student demonstrations, delicious food, an informative Early College update, inspiring Student Success Spotlights, and interactive breakout sessions designed for Early College faculty and employers to connect and collaborate.

**Let's work together to
strengthen our community!**
