

LAUNCH APPRENTICESHIP NETWORK

A Smarter Investment in Your Workforce

Why Employers Choose Apprenticeship

- Access a local pipeline of trained, motivated workers
- Lower recruitment & onboarding costs
- Upskill new and incumbent workers tuition-free
- Increase productivity while retaining top talent

Hard Facts. Real Returns

- Employers receive **\$144.30** in benefits for every **\$100** invested in apprenticeship (DOL – AAI)
- **92%** of apprentices remain with their employer after completing their program
- Indirect ROI benefits include **reduced turnover, improved loyalty, and stronger day-to-day performance**

How LAUNCH Maximizes Your ROI

LAUNCH Apprenticeship Network connects employers, educators, and apprentices to build a skilled, job-ready team aligned to your business needs across multiple sectors.

- ✓ Tailors apprenticeship pathways to the roles that matter most to your business
- ✓ Aligns curriculum and training with performance outcomes
- ✓ Supports HR and supervisors with onboarding and mentor resources
- ✓ Tracks and measures outcomes so you can see the value
