SCCRC Monthly Regional Zoom Meeting

September 25, 2026

9:00am – 11:00am

[Zoom Recording for This Meeting](#)

Minutes

- 8:30 – 9:00 am** **Pre-meeting - CTE Deans Only**
- 9:00 – 9:10 am** **Welcoming & Updates** – *Robert Cabral, Acting Associate Vice Chancellor, VCCCD*
Robert opened the meeting by acknowledging the attendees and sharing brief updates, including that the region is in the process of formalizing regional allocations. Robert shared with the deans that the Chancellor's Office is currently in discussions regarding extending the expenditure timeline from 24 months to 30 months. The 30-month expenditure window is confirmed to begin with Round 12, with discussions continuing regarding a possible six-month extension for Round 11. Robert also shared his experience attending Allan Hancock College's Campfire Conversation and Moorpark College's Future Ready K-16 805 event.
- 9:10 – 9:40 am** **COE & BW Research Partnership Presentation** - *Jacob Poore, Director, COE & Josh Williams, Chief Research Officer, BW Research Partnership*
Jacob Poore and Josh Williams presented "Workforce Development in Jobs First Priority Sectors," which discussed the South Central Coast's top five priority sectors: aerospace and defense, clean economy, high tech, life sciences, and working lands and water, as well as the research behind them. They identified 20 priority occupations, along with hiring challenges, occupational needs, and shared skill needs across the five priority sectors. The presentation also covered regional alignment and workforce pipeline shifts needed, such as stronger regional coordination, shrinking K-12 enrollment, and cross-regional pathways.
- 9:40 – 9:50 am** **BS in Health Information Management** – *Dr. Devin Daugherty, Dean, SBCCD*
Devin provided an overview of the new Bachelor of Science in Health Information Management degree that will be offered at Santa Barbara Community College starting in January. The program aligns with similar programs offered at San Diego Mesa College and College of the Redwoods. The program will be certified through

CAHIIM (Commission on Accreditation for Health Informatics and Information Management Education).

To enter the program, students will need to have completed an Associate of Science degree in either HIT or HIM from a CAHIIM-accredited institution. The baccalaureate degree will require 120 to 131.5 units to complete. Devin also shared several job titles associated with this type of degree, including HIM manager, HIM supervisor, electronic health record manager, reimbursement specialist, health information data analyst, and clinical documentation improvement specialist. The program will be offered 100% online and asynchronously. Devin also noted that the program will meet the CSU GE Breadth requirement.

9:50 – 10:00 am

Interim Fiscal Agent Directors Update – *Dr. Devin Daugherty, Dean, SBCCD and Imelda Luna, Financial Analyst, VCCCD*

- [Community College Strong Workforce Program \(SWP\)](#)
- [K12 Strong Workforce Program \(K12 SWP\)](#)
- [Regional Coordination and Collaboration \(RCC\) Grant](#)

Devin shared that they are reconciling all of the accounts and noted that EWD funding for Years 2–5 has been extended through December 31, 2026. The group was reminded to spend the remaining funds and submit invoices. He then reviewed the balances for the other grants, noting which have been completely reconciled with zero balances and the remaining balances for those that have not yet been fully reconciled. Devin reminded the team to submit all NOVA reports and noted that he has been approving NOVA reports daily.

Imelda shared that the final funding breakdown for SWP Regional is needed by October 5. She also noted that the K-12 SWP application deadline was extended to October 5. For the RCC Grant, the budget is in NOVA and they are waiting on the work plan.

10:00 – 10:10 am

K12 Strong Workforce Program Update – *Dr. Giselle Bice, K14 Technical Assistance Provider, COC*

- *K12 SWP Round 9*

Giselle provided updates on the K-12 Strong Workforce Program (K-12 SWP), including \$10.3 million allocated to the region to support K-12 partnerships with community colleges through priority sector pathways. The grant deadline was extended to October 5 at 4:59 p.m., and upcoming dates for preliminary funding announcements, appeals, final intent to award, and the performance period were reviewed. She also shared information about the “Central Coast: Built to Drive What’s Next” webinar on October 7 and noted that she, Jacob, and Kristina will present “Navigating the Future: Aligning Regional Workforce Strategies with Emerging Industries in the South Central Coast” at the CCCAOE Fall 2026 Conference.

10:10 – 10:20 am

Launch Apprenticeship Network – *Kristina Barckley, Regional Apprenticeship Manager, LAUNCH*

Kristina provided LAUNCH updates and an overview of pre-apprenticeships, including opportunities for partnerships between K-12 schools, community colleges,

and other agencies. She shared information about LAUNCH's pre-apprenticeship program components and highlighted current programs, including an Emergency Medical Services pre-apprenticeship program being developed with AMR. Kristina also discussed the pre-apprenticeship support and program development assistance that LAUNCH offers.

10:20 – 10:45 am

Brief Report Outs

- **CTE Liaison** – *Thesa Roepke, Dep't Chair, Allan Hancock College*
Tom Lamica shared that Thesa would like to see an opportunity at CCCAOE for faculty liaisons to connect and network, as well as begin conversations around apprenticeships, CPL, Workforce Pell, and other statewide initiatives.
- **California Community College Association for Occupational Education (CCCAOE)** – *Michael Hoffman, Regional VP for CCCAOE, Moorpark College*
Mike shared information regarding the upcoming SCCRC meeting at the CCCAOE Fall Conference. He shared that SCCRC is looking for basket donations from colleges in the region for the upcoming conference. He highlighted two recently signed pieces of legislation related to baccalaureate degrees that will take effect in January 2028. He noted that this gives some time to consider amendments and that the legislation provides more clarity and direction for community colleges when it comes to developing new baccalaureate degree programs.
- **CCC Baccalaureate Degree Program** – *Robert Cabral, AAVC, VCCCD*
Robert shared three main updates regarding the CCC Baccalaureate Degree Program. He shared that the program is in the process of filing for nonprofit status and updating its bylaws and policies to support its organizational structure. He also shared that the Chancellor's Office is discussing a proposed Title V regulatory change. Robert also provided information about the Community College Baccalaureate Association's national conference, scheduled for February 17–19 in New Mexico, with proposals due October 16.

10:45 - 11:00 am
