

Fall 2018 Job Developer Project Update

November 9, 2018

Strong Workforce Project

- Welcome and Introductions
- Purpose of today's meeting
- Clarification of funding stream

Topics for Conversation

- SWP metrics and accountability
 - CTEOS
 - CCC MIS data
 - California Unemployment Insurance (UI) Wage file
- Regional Consortium Job Developer template job description and expectations
- Familiarity with area employers
- LaunchBoard
- Work experience, internships and apprenticeships
- Tracking-how do we manage?
- Desired professional development for job developers

SWP Metrics

- Focus on student outcomes
- More and better CTE
 - The number of FTE students enrolled in CTE shall not be reduced below the 2015-16 baseline
- Incentive funding-"workforce success and social mobility incentive" ([Link to specific measures](#))
 - 1/6 of the funding allocation is based on SWP outcomes
 - Student progress in CTE (unit specific)
 - Attainment of CTE degrees and CO approved certificates
 - CTE students who transfer
 - Employment
 - Employment in job related to field of study
 - Earnings
 - Earnings gain
 - Living wage

Regional Job Developer Job Description

- [Job Developer Job Description](#)
- Funding for position
- Regional Consortium Expectations

Connecting to Employers

- Share how you connect with employers in your community
- Working with faculty and employers
- Utilizing CTE advisory committees for potential internships and job placement

Launchboard and CTEOS

- What is Launchboard and why is it important?
- Important to become familiar with Launchboard
- Need a Launchboard account? www.Calpassplus.org
- [Launchboard resources:](#)
 - [Skill Builder students](#)
 - [CTE Launchboard Program snapshot \(how to view\)](#)
- What is CTEOS? CTE Outcomes Survey
- Data is one of 3 factors used in determining SWP metric achievement.
- Data contributes to enhanced funding allocation

Work Experience and Internships

- Are students using these options on your campus?
- Do the CTE programs on your campus require work experience or an internship to earn a degree or certificate?
- Connecting with employers for work experience and internships.
- Paid internships contribute to student outcomes for accountability

Tracking student contacts and experiences

- How are you tracking student contacts and participation in experiences?
- Suggestions for tracking across the region?
 - LinkedIn
 - Viridis
- Tracking and increasing CTEOS participation

Professional Development for Job Developers

- Are their specific professional development topics or opportunities that would help job developers in meeting the regional expectations for the position?
