Strong Workforce Program Description

The Strong Workforce Program seeks for community colleges to offer “more and better CTE” and its metrics account for college CTE FTES, student certificate and degree completions and transfer where appropriate, job placements and wage growth. The SWP should align with other statewide community college initiatives such as AEBG, SSSP and Equity and align with the Workforce Development Boards.

ACCOUNTABILITY. TRANSPARENCY. SIMPLICITY.

Scope of Work

Investments will be made to achieve the objectives of the Strong Workforce Program and align with its metrics.
