

Strong Workforce Data on the Launchboard

STRENGTHENING COMMUNITY COLLEGES THROUGH CIVIC STEWARDSHIP

Note: all questions on this worksheet can be answered using the **PUBLIC LAUNCHBOARD STRONG WORKFORCE TAB** (www.calpassplus.org/public/launchboard/swp.aspx)

1 Which program or sector and region did you select? (Please look at data for 2015-16)

If you have too few students to display data, first try a TOP4 option or select a sector. If no economic data appear, you may have selected a year that is too recent.

2 Are there a significant number of students who are enrolled and making progress in the program?

- Number of course enrollments:.....
- Number of students who earned 12+ units:.....
- Number of students who attained 48+ contact hours:

3 Did students finish a community college program and/or start on a bachelor's degree?

- Number of students who got a degree or certificate:.....
- Number of students who transferred:.....

4 Did students get and keep jobs after they left college?

- Employed in the second fiscal quarter after exit:
- Employed in the fourth fiscal quarter after exit:.....

5 Did students improve their earning power?

- Median change in earnings:

6 What types of earnings did students attain?

- Median earnings in the second fiscal quarter after exit:
- Attained a living wage:

If you multiply median earnings by four, you'll get a rough sense of how much students earn per year.
