	4	K12 DISTRICT	VACANCY	
	5	K12 DISTRICT	VACANCY	
	6	COMMUNITY COLLEGE	VACANCY	

NOTES:

1. This configuration of representation of K12, Community College (CC) and Industry by Sub-Region was set forth by the SCCRC CEOs and CIOs and aligned with the required representation called out in the K12 SWP legislation.
2. Last year the Regional Directors were considered industry reps due to their regional, industry sector-based role and not as a representative of their host college.
