RE: Program and Grant Deadlines - Reporting & Extensions

In an effort to assist colleges in meeting their reporting deadlines below please find the link to the program and grants reporting and extension due dates for WED Division grants and programs. For the majority of the WED Division program and grant reporting deadlines remain unchanged, with a few adjustments given the current campus closures to comply with State directives regarding COVID-19. If your college is negatively impacted or is unable to meet these deadlines please contact the program lead listed in the linked document below.
