South Central Coast Regional Consortium Program Recommendation Workflow (May 2020)

Link to Program Recommendations Submission Process on SCCRC website HERE

1 College submits Notice of Intent via Google Form on SCCRC website.

2 College submits Labor Market Information (LMI) Request via SCCRC website to Center of Excellence (COE).

3 College submits program for regional recommendation at Regionalcte.org. COE LMI must be uploaded.**

**COE will email the final program recommendation report to the submitter and respective dean and upload the report to the COE website. A previously completed LMI report can be uploaded directly from the COE website.*

6 SCCRC notifies college regarding "Recommended" or "Not Recommended" status via Email.

5 SCCRC monitors, sends email reminders, & certifies the votes.**

4 Once submitted, programs are reviewed by the SCCRC & the COE & are then designated "Under Review." Online voting is opened*

**A minimum of 5 out of 8 "Recommended" votes are required for regional program recommendation. Goal is votes from all 8 colleges and all comments addressed.*

Online review & voting are open for two weeks

7 SCCRC lists all Recommended Programs in Regional Consortium Minutes.

8 College submits all required documentation to the Chancellor's Office for their approval.

LMI Request Process

Step 2: Request Labor Market Information from the Center of Excellence (COE)

LMI Data Request Form

The PCAH 7th Edition (page 93) states: "Pursuant to Education Code § 78015 Labor Market Information (LMI) data is specifically required for all new CTE program proposals, where available. Current LMI and analysis, or other comparable information, must show that jobs are available for program completers within the local service area of the individual college and/or that job enhancement or promotion justifies the proposed curriculum. Regional, statewide, or national labor market evidence may be included as supplementary support, but evidence of need in the specific college service area or region is also necessary."

The Chancellor's Office and the SCCRC rely on consistent LMI data provided by the region's Center of Excellence (COE) in order to make a recommendation for program approval. A Program Recommendation Report that is NO MORE THAN TWO YEARS OLD is required from the Center of Excellence. This report needs to be uploaded to the Program Submission page on the RegionalCTE website. At their discretion, colleges may submit other LMI data in addition to the LMI provided by the COE.

ADVANCED MANUFACTURING AND LOGISTICS JOBS AND WAGES

The following table lists the **minimum** educational attainment that an individual needs to have in order to be qualified for the occupation. Wages listed for each occupation are based on 25th percentile to 75th percentile earnings, which represent wages from entry-level to experienced workers, respectively. **Only occupations with median earnings of at least $15.38 per hour (i.e., living wage) and a labor market demand of at least 50 annual job openings are included in this list.** Any job with "All Other" in the title is an occupation with highly specialized subsets; put differently, the title is written broadly to capture various emerging occupations.

NO FORMAL EDUCATIONAL CREDENTIAL + ADDITIONAL TRAINING	
Food and Tobacco Roasting, Baking, and Drying Machine Operators and Tenders	$13.16 - $19.38
Meat, Poultry, and Fish Cutters and Trimmers	$13.30 - $23.88
