

South Central Coast Regional Consortium Program Recommendation Workflow (May 2020)

Link to Program Recommendations Submission Process on SCCRC website HERE

College submits Notice of Intent via Google Form on SCCRC website.

College submits Labor
Market Information (LMI)
Request via SCCRC
website to Center of
Excellence (COE).

3

College submits program for regional recommendation at <u>Regionalcte.org</u>. COE LMI must be uploaded.**

**COE will email the final program recommendation report to the submitter and respective dean and upload the report to the COE website. A previously completed LMI report can be uploaded directly from the COE website.

SCCRC notifies college regarding "Recommended" or "Not Recommended" status via Email.

SCCRC monitors, sends email reminders, & certifies the votes.**

4

Once submitted, programs are reviewed by the SCCRC & the COE & are then designated "Under Review."
Online voting is opened*

**A minimum of 5 out of 8 "Recommended" votes are required for regional program recommendation. Goal is votes from all 8 colleges and all comments addressed.

*Online review & voting are open for two weeks

SCCRC lists all
Recommended Programs
in Regional Consortium
Minutes.

8

College submits all required documentation to the Chancellor's Office for their approval.
