Strong Workforce Program Description

The Strong Workforce Program seeks for community colleges to offer “more and better CTE” and its metrics account for college CTE FTES, student certificate and degree completions and transfer where appropriate, job placements and wage growth. The SWP should align with other statewide community college guidance and initiatives such as Vision for Success, California Adult Education Program, Guided Pathways and align with the Workforce Development Boards.

Scope of Work

Investments will be made to achieve the objectives of the Strong Workforce Program and align to the regional Strong Workforce Plan and outcome metrics.

Reporting

SWP funding is project based with project submissions and reporting into the NOVA system in accordance with the Chancellor’s Office input and reporting timelines. Each college district is responsible to keep all backup details associated with spending and to respond to SWP audit requests from the Chancellor’s Office.

Terms and Conditions

Each District must ensure their SWP regionally allocated funds are fully budgeted, projects are Certified/ Approved, and reporting is up to date in NOVA prior to the payment of any invoices.

Invoices must be addressed to “Santa Barbara Community College District” and emailed directly to Luann Swanberg and Amanda Lake at: [SCCRC Fiscal Team](#).
